## Maximum Value

The Learjet 45XR not only offers superior range, speed and comfort, but is also offered by Bombardier Flexjet\*, the fractional provider that delivers more program flexibility. Recently, Flexjet announced the Secondary Service Area, an industry first that allows Flexjet owners to fly to Bermuda, Cabo San Lucas, the Caribbean and many other popular destinations without aircraft positioning fees. Flexjet also offers owners the opportunity to buy or sell hours from a special pool to better match their travel needs. Flexjet is the only program that delivers this level of value.

Flexjet is part of Bombardier Aerospace, which provides the most comprehensive range of private jet travel and ownership solutions – from on-demand charter to fractional ownership to ownership of the entire aircraft. Additionally, Bombardier is the global leader in the design and manufacture of innovative aviation products, and provides services for the regional, business and amphibious aircraft markets.
