A CULTURE OF EXCELLENCE

**19-YEAR
FAA DIAMOND AWARD**
The Diamond Award of Excellence is the most sought after award when it comes to jet safety regulations and flight management. It is the highest recognition given to the aviation industry by the U.S. Federal Aviation Administration for maintenance training.

The Air Charter Safety Foundation is your resource for safety standards across the US charter airplane network, from commercial to private air travel. Whether you're looking for a registered operator or audit information, we can help.

Flexjet has earned Argus Platinum status for six consecutive two-year periods since 2008. The Argus rating is the result of independent assessments and a multiday, onsite audit that measures best practices for safety.

**16-YEAR
NORTHCOST 99
WINNER**
Created and presented by ERC, NorthCoast 99 is an annual recognition program and event in its 21st year that honors 99 great Northeast Ohio workplaces for top talent.
